Services

Advanced Solutions:

We offer consultancy service to support our customers in avoiding delays, fines & penalties.

Our customs consultants can help enhancing customs clearance formalities to avoid any unforeseen issues and hiccups with followings:

- Review shipping documents prior moving the shipment
- Optimizing H. S. Code selection
- Providing guidance and advices for required permits and approvals.

A high-angle, top-down photograph of a warehouse worker in a white shirt and a hard hat, pushing a pallet jack loaded with a wooden pallet of cardboard boxes. The worker is moving from the bottom left towards the top right. The background shows rows of stacked cardboard boxes in a warehouse setting. The entire image has a warm, orange-yellow color cast. A thin, curved orange line starts near the bottom left and extends diagonally across the middle of the image.
